

Zest Dental Solutions Welcomes Aspen Dental as DSO Partner

Carlsbad, CA – (January 31, 2022) – Zest Dental Solutions is pleased to announce its newest Dental Service Organization (DSO) partnership: Aspen Dental. Effective immediately, the 3-year agreement with Aspen Dental includes over 930 locations in over 45 states.

As part of this DSO agreement, Zest will be Aspen Dental's "Preferred Dental Partner" for LOCATOR®, LOCATOR R-Tx®, and LOCATOR Overdenture Implant Solutions. In addition to local office support, Zest will also be partnering with the clinical support team to launch the first Removable Overdenture Initiative with surgical, prosthetic and hands-on training programs being hosted in-person and remotely across North America.

Zest Dental LOCATOR family products are now part of the Aspen Dental ordering system and available to Aspen Dental DSO members. Aspen Dental offices will be buying all LOCATOR and LOCATOR R-Tx abutments directly from Zest to support all implant systems used in each clinic. Additionally, Aspen Dental will be utilizing the LOCATOR and LOCATOR R-Tx Scan Bodies to support digital initiatives.

"Zest Dental is excited to have Aspen Dental as part of our DSO member family," said Tom Stratton, Zest Dental Solutions CEO. "We are committed to supporting their member offices with preferred access to the LOCATOR product family, the leading and most versatile overdenture attachment system on the market, and helping their clinicians grow their practices and create stellar smiles."

To learn more about how Zest Dental Solutions and the LOCATOR family of overdenture products can help you exceed patient expectations and grow your practice, call 855-868-LODI (5634) or visit www.zestdent.com.
