Carlsbad, CA – (February 16, 2022) – Zest Dental Solutions is pleased to announce its newest partnership with the Dental Whale Membership. Effective immediately, the 3-year agreement with Dental Whale supports over 19,000 Dental Whale offices across the U.S.

As part of this agreement, Zest will be part of Dental Whale’s “Preferred Network” for LOCATOR®, LOCATOR R-Tx®, and LOCATOR Overdenture Implant Solutions. In addition to local office support, Zest will also be partnering with the clinical support team to launch Dental Whale’s ORCA platform supporting Removable Overdenture surgical, prosthetic, and hands-on training programs being hosted in-person and remotely across North America.

Zest Dental LOCATOR family products are now part of Dental Whale’s network and are available to Dental Whale members with unique preferred pricing. Dental Whale offices will have the ability to buy LOCATOR and LOCATOR R-Tx abutments directly from Zest to support all implant systems used in each member’s office.
